The Canadian Heart Research Centre is committed to excellence in continuing education and your opinions are critical to us in this effort. To assist us in evaluating the effectiveness of this program and to make recommendations for future educational offerings, please take a few minutes to complete this evaluation form.

Demographics												
Physician: ☐ Yes ☐ No ☐ Other Please specify												
Type of Practice:				☐ Solo ☐ Group		☐ Office ☐ Hospital		☐ Other				
LEARNING OBJECTIVES:												
After participating in this activity, I am now better able to:												
1.	Recognize the centrality of LDL-C and its cumulative exposure to increased risk of ASCVD events											
_	Strongly disagree	Disagree		Neutral		Agree		Strongly agree				
	1 2			3		4		5				
2. Evaluate the limitations of current lipid lowering agents and assess recommendations for lipid lowering agents be statin therapy for high risk patients								eyond, or in addition to,				
_	Strongly disagree	trongly disagree Disagree		Neutral		Agree		Strongly agree				
	1	2		3		4		5				
3. Identify those patients who would benefit from additional therapy beyond statins to reduce CV risk							sk					
_	Strongly disagree	gly disagree Disagree		N	Neutral		Agree	Strongly agree				
	1		2		3		4	5				
4.	Explain the latest of the risk for CV even	care to reduce										
_	Strongly disagree	sagree Disagree		Neutral		Agree		Strongly agree				
	1	1 2		3		4		5				
5. Appropriately apply best guideline practice recommendations into routine clinical practice based on specific patient characteristics.												
Strongly disagree Disa		sagree	N	eutral		Agree	Strongly agree					
	1	1 2			3		4	5				
Speaker / Moderator												
was effective in presenting the material:												
_	Strongly disagree	Dis	sagree	No	eutral	ı	Agree	Strongly agree				
	1		2		3		4	5				
Did you perceive any degree of bias in any part of the program? ☐ Yes ☐ No												
If Yes, please describe:												

## Please indicate with CAnMEDS roles you felt This Program were addressed during this educational activity. Content enhanced my knowledge □ Family Medicine Expert Neutral Strongly disagree Strongly agree □ Collaborator 1 □ Communicator Addressed my most pressing questions Manager Neutral Strongly agree Strongly disagree ☐ Health Advocate 1 3 Promoted improvements or quality in health care □ Professional Strongly disagree □ Scholar Was scientifically rigorous and evidence-based Neutral Provided appropriate and effective opportunities for active learning (ie., case studies, discussion, Q &A, etc) Neutral Strongly disagree Strongly agree 1 Provided an opportunity for interaction with my peers Strongly disagree Neutral Based on your participation in this program, please select all applicable statement(s): ☐ I gained new strategies/skills/information that I can apply to my area of practice. ☐ I plan to implement new strategies/skills/information into my practice. ☐ I need more information before I can implement new strategies/skills/information into my practice behavior This program will not change my practice, as my current practice is consistent with the information presented. ☐ This program will not change my practice, as I do not agree with the information presented. What strategies/changes do you plan to implement into your practice?

What barriers do you see to making a change in your practice?
