Based on your participation in this program, please select all applicable statement(s):								
☐ I gained new strategies/skills/information that I can apply to my area of practice.								
☐ I plan to implement new strategies/skills/information into my practice.								
☐ I need more information before I can implement new strategies/skills/information into my practice behavior								
☐ This program will not change my practice, as my current practice is consistent with the information presented.								
☐ This program will not change my practice, as I do not agree with the information presented.								
What strategies/changes do you plan to implement into your practice?								
What barriers do you see to making a change in your practice?								
Future Topics of Interest / Additional Comment & Suggestions								

Thank you for your feedback!
