ER / MODERA was ef	Appropriate Strongly disagr 1 ATOR Affective in p ongly disagree 1	Speake	new 2021 CCS [Disagree 2	3 Dyslipidemia G Neutral 3	tral	Agree 4	into routine cli	5 nical practice rongly agree 5

Please indicate which CanMEDS roles you felt were addressed during this educational activity

Content enhanced my knowledge	☐ Family Medicine Expert									
Strongly disagree Neutral Strongly agree	□ Collaborator									
1 2 3 4 5	□ Communicator									
Addressed my most pressing questions										
Strongly disagree Neutral Strongly agree	Manager									
1 2 3 4 5	☐ Health Advocate									
Promoted improvements or quality in health care	□ Professional									
Strongly disagree Neutral Strongly agree 1 2 3 4 5	□ Scholar									
Was scientifically rigorous and evidence-based										
Strongly disagree Neutral Strongly agree 1 2 3 4 5										
Provided appropriate and effective opportunities for active										
learning (ie., case studies, discussion, Q &A, etc)										
Strongly disagree Neutral Strongly agree										
1 2 3 4 5										
Provided an opportunity for interaction with my peers										
Strongly disagree Neutral Strongly agree										
1 2 3 4 5										
Based on your participation in this program, please select all applicable statement(s):										
☐ I gained new strategies/skills/information that I can apply to my area of practice.										
☐ I plan to implement new strategies/skills/information into my practice.										
☐ I need more information before I can implement new strategies/skills/information into my practice behavior										
☐ This program will not change my practice, as my current practice is consistent with the information presented.										
☐ This program will not change my practice, as I do not agree with the information presented.
