BAD TO THE BONE
Medications Associated with Increased Fracture Risk

This clinically relevant and interactive (case-based) program was developed by leading Canadian experts to address the importance of risk assessment, screening and management for all patients at high risk for stress fracture with the particular focus on the use of medications that are associated with bone loss, osteoporosis, and fragility fractures. This program aims to translate scientific and clinical evidence into practical steps and incorporates expert recommendations into practical strategies applicable to primary care practice.

LEARNING OBJECTIVES: BAD TO THE BONE Medications Associated with Increased Fracture Risk

After participating in this activity, I am now better able to:

1. Describe the morbidity, mortality and economic burden of illnessass ociated with osteoporosis in Canada

Strongly disagree	Disagree	Neutral	Agree	Strongly agree
1	2	3	4	5

2. Explain the factors that determine osteoporotic fracture risk

Strongly disagree	Disagree	Neutral	Agree	Strongly agree
1	2	3	4	5

3. Identify medications associated with bone loss and increased fracture risk

Strongly disagree	Disagree	Neutral	Agree	Strongly agree
1	2	3	4	5

4. Mitigate the impact of medication-related factors which may increase the risk of bone loss and fragility fractures

Strongly disagree	Disagree	Neutral	Agree	Strongly agree
1	2	3	4	5

Speaker   s1

Was effective in Presenting Material:

Strongly disagree	Disagree	Neutral	Agree	Strongly agree
1	2	3	4	5

Did you perceive any degree of commercial bias from the speaker?   ❏ Yes   ❏ No

If yes, please describe:

_____

Did you perceive any degree of bias in any part of the program?   ❏ Yes   ❏ No

If so, please explain: _____

Speaker   Testtest testlasat

Was effective in Presenting Material:

Strongly disagree	Disagree	Neutral	Agree	Strongly agree
1	2	3	4	5

Did you perceive any degree of commercial bias from the speaker?   ❏ Yes   ❏ No

If yes, please describe:

_____

Did you perceive any degree of bias in any part of the program?   ❏ Yes   ❏ No

If so, please explain: _____

THIS PROGRAM

Content enhanced my knowledge

Strongly disagree		Neutral		Strongly agree
1	2	3	4	5

Addressed my most pressing questions

Strongly disagree		Neutral		Strongly agree
1	2	3	4	5

Promoted improvements or quality in health care

Strongly disagree		Neutral		Strongly agree
1	2	3	4	5

Was scientifically rigorous and evidence-based

Strongly disagree		Neutral		Strongly agree
1	2	3	4	5

Provided appropriate and effective opportunities for active learning
(ie., case studies, discussion, Q &A, etc)

Strongly disagree		Neutral		Strongly agree
1	2	3	4	5

Provided an opportunity for interaction with my peers

Strongly disagree		Neutral		Strongly agree
1	2	3	4	5

Please indicate with CAnMEDS roles you felt were addressed during this educational activity.

- ❏ Family Medicine Expert
- ❏ Collaborator
- ❏ Communicator
- ❏ Manager
- ❏ Health Advocate
- ❏ Professional
- ❏ Scholar

How did your experience attending this program compare to others you have attended in the last 6 months?

Worst		Comparable		Best
1	2	3	4	5

How likely is it that you will recommend attending this program to a colleague?

Not likely		Neutral		Extremely likely
1	2	3	4	5

Based on your participation in this program, please select all applicable statement(s):

- ❏ I gained new strategies/skills/information that I can apply to my area of practice.
- ❏ I plan to implement new strategies/skills/information into my practice.
- ❏ I need more information before I can implement new strategies/skills/information into my practice behavior
- ❏ This program will not change my practice, as my current practice is consistent with the information presented.
- ❏ This program will not change my practice, as I do not agree with the information presented.

What strategies/changes do you plan to implement into your practice?

What barriers do you see to making a change in your practice?

Future Topics of Interest / Additional Comment & Suggestions

Thank you for your feedback!
